

Wednesday, June 2, 2010

Dear Parents,

Mathematical Olympiads will be starting up in September 2010. This is an exciting opportunity for your child/children to further develop their mathematical problem solving strategies as well as promote an enthusiasm for mathematics. Students will meet once a week after school, depending upon their division level, to explore a math topic or strategy in depth. Sacred Heart School will have two divisions based upon the grade level of your child. The first division, **Division E**, will consist of grades 4-6 and will meet after school on **Tuesdays**, from 3:00 PM to 4:00 PM in the computer lab. Our contest dates are as follows:

Tuesday, November 16, 2010

Tuesday, December 14, 2010

Tuesday, January 11, 2011

Tuesday, February 8, 2011

Tuesday, March 8, 2011

The second division, **Division M**, will consist of grades 6-8 and meet after school on **THURSDAYS**, from 3:00 PM to 4:00 PM in the computer lab. Please realize our contest dates are on **WEDNESDAYS** and are as follows:

Wednesday, November 17, 2010

Wednesday, December 15, 2010

Wednesday, January 12, 2011

Wednesday, February 9, 2011

Wednesday, March 9, 2011

There will be a fee of \$25.00 charged for every participant. We will need at least 16 students to cover our costs for the first year. Some of these costs are the resources, t-shirts and team registration fees. Students are required to attend the weekly meetings and there will be weekly homework assignments.

Please visit <http://www.moems.org/>. If your child is interested in participating, please fill out the back of this form. We will not be collecting any fees until September. Thank you for your interest in Mathematical Olympiads.

Sincerely,
Miss Levesque

Name of Student: _____

Grade: _____

Please check one of the following:

Division E

(grades 4-6) Meetings on Tuesdays from 3:00 to 4:00 PM in Computer lab.

Division M

(grades 6-8) Meetings on Thursdays from 3:00 to 4:00 PM in the Computer Lab.

Please return this form to my mailbox by the last day of school, Thursday, June 10, 2010.

Thank you.

Miss Levesque
