25-Aug	No Field trips		
26-Aug	No Field trips		
27-Aug	Party here at school, more information to come.		

***ALL FIELD TRIPS ARE SUBJECT TO CHANGE**

***ALL FIELD TRIPS ARE SUBJECT TO CHANGE**

All field trips will be determined by Director whom may go.

This is a schedule so you know what time we will be leaving and returning to the school.

**Please note Mondays field trip to water park all children attend, no staff at school. Leave at 9:30.

If your child is attending a field trip , they must be here 15 min. before our departure time.

All field trips departure times and arrival back times are listed above.

We are not able to have a child meet us at any other location than the school daycare.

Children 1st grade on up will be allowed to go swimming, bowling and skating.

If your child forgets their swim suit on Thursday, they will not go to the pool with us.

**NO FLIP FLOPS ALLOWED ON FIELD TRIPS.

***MUST WEAR A CLOSED BACK SHOE TO ATTEND FIELD TRIPS, NO EXCEPTIONS.

CHILD MAY BRING FLIP FLOPS TO THE POOL.

Not all children will attend all movies. PG movies will only be for children 1st grade on up.

Unless a parent gives permission for child to attend PG movies. Movie listing attached.

If a child can not sit through the movies they will not be allowed to go.

** Please send \$ 4.75 for your child to purchase a movie meal**

Field trip/ Activities fees do not include movie meals or other snacks at the movies, bowling, or roller skating rink
or roller skating.

Please remember to leave a swim suit and towel here at the school at all times, so your child can play outside in the sprinklers. It is no fun when all the children are playing in the water and you can't because you don't have a swim suit.

Please send a backpack or a tote bag for your child to carry their swimsuit, towel, water bottle to and from field trips. Make sure it is not too big or heavy.

Please leave a bottle of sunscreen here at school so we can reapply it through out the day.

We have stick rules for the children to follow when walking to, and from field trips and during our time at our designated spot. These rules will be explained to the children in terms they can understand. One warning will be given if a second warning is warranted the child will not be able to attend the next field trip.

All rules enforced are in the best interest of your child safety and the other children and staff members safety.

In some cases a child's behavior in daycare will determine if they can attend an upcoming field trip. There will be no refunds given if a child loses their privilege to attend a field trip.

All drop in care are required to pay the Activity/Field Trip fees.

We want the children to have fun and be safe on each field trip.

Sincerely,

Denise Cole- Daycare Director
